BIG BOOM IN BUSINESS ALONG RIO GRANDE TOWNS.

Mercedes, Texas, July 22.—Probably never before in the history of the Rio Grande valley have the post-offices in the little towns of this section had such a large business in the sale of postage stamps, particularly the one cent denomination, on account of the presence, and consequent correspondence, of the thousands of federalized national guardsmen from eastern and central states. Souvenir postcards depicting all possible scenes from any main street and public square to bull fights and other reminiscences of better days in Matamoros, the principal Mexican town across the Rio Grande, find their way from this section to all

quarters of the United States. Due to the sending of picture postcards, the demand for one-cent stamps has been particularly heavy.

Sunday afternoon, observation at the various concentration camps show, is the banner day for letter writing those soldiers not fortunate enough to obtain strategic positions in the rest quarters provided by the Texas Young Mens Christian Association, remain in their tents, where with stubby pencils, the guardsmen word pictures of their border life for "the folks back home."

KNIGHTS OF PYTHIAS TO STAGE SHOW

ARRANGEMENTS MADE AND BIG ATTRACTION IS PROMISED IN THE NEAR FUTURE — EXPERIENCED MANAGER.

At a meeting of Myrtle Lodge No. 107, Knights of Pythias, it was unanimously decided to present under the auspices of the lodge a unique novelty in the way of social amusement by giving a midsummer home folk musical comedy some time during the first week in August and they have made arrangements with Mr. Harry Clarke Renalle, well known author and producer of original home folk entertainments, to produce under his personal direction his latest and highly successful novelty, "The Follies Kabaret," with a large cast of the best local talent.

Mr. Renalle comes with the highest possible recommendation from the leading lodges and societies throughout the middle western and southern states and is said to be one of the most successful directors in the country. His experience covers a number of years among some of the leading actors in both the United States and Europe.

The vehicle chosen, "The Follies Kabaret," is essentially adapted to summer production and is the harmonious blending of society's fads and fancies in minstrelsy, vaudeville and musical comedy, making a highly entertaining production, teeming with wit and beauty, eliminating all draggy dialogue and slapstick comedy, thus forming a light, airy novelty so acceptable to the average American amusement seeker.

One of the main features of the show will be the introduction of the latest ballroom dances adapted to the popular songs of the day in big chorus numbers, an innovation which has received the highest praise and commendation.

A committee consisting of Messrs. Otis Smith, J. H. Edwards, and H. I.

It was appointed by the lodge to get up the cast and the best talent in the city will be appealed to by the Knights to help make this affair one of the big successes of the season.

Criticizing a three-performance engagement of this play at the Evers Opera House in Fort Worth, the Star-Telegram says: "Absolutely the most original, entertaining and prettiest production, either amateur or professional, ever seen in Fort Worth. A perfect riot of song, dance, music and merriment, with not one dull moment from start to finish."

Catarrrhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrrhal deafness, and that is by a constitutional remedy. Catarrrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Cure acts through the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Cure. Circulars free. All druggists, 75c.

ANNOUNCES FOR JUSTICE

Ardmore Attorney Gives Terse Expression of Merits of Hal Cannon.

The vast majority of citizens are never in the office of the justice of the peace, yet those who do have business with this officer have important business, and it is very important to the county how this business is handled. One of the busiest and most competent lawyers of Ardmore, in speaking of Hal M. Cannon as justice of the peace said that Mr. Cannon's official acts have been highly satisfactory, he had no criticism to offer and had heard none, and this is pretty good evidence, said this lawyer, that Judge Cannon is a success on the bench. Continuing, the lawyer said Judge Cannon was always impartial and was always fair. He has training as a lawyer and is a close student of the law, and this knowledge enables him to track the law better than the ordinary justice of the peace can. He comprehends law well, and has the fairness and the courage to follow it and to enforce it. This attorney said he did not believe that there would scarcely be a vote against Hal Cannon for reelection. Two justices are to be elected, and by no means will the people decline to elect Judge Cannon. He has always been at his post of duty, he has helped as many people settle their differences as he has heard cases. That is a record that entitles him to the friendship and good will of every citizen of Ardmore.

AN ENTERPRISING TEACHER.

Gathered in Candidate Coins for School Improvements.

Miss Callie Thomason took advantage of the candidate season to give an ice cream supper at Hightight school house where she is teaching. The supper was given Friday night. There were present a large number of candidates who bought many orders of cream, there were children a-plenty and women not a few, but in round numbers there were very few voters. However the plans were made so perfectly and were carried out so nicely that every candidate was glad of the opportunity to visit Miss Thomason and her school. The building was decorated in handsome fresh water lilies that had been gathered the evening before and the school colors, orange and black, were carried out in the color decorations.

The candidates who addressed the voters in the order in which they spoke were Fred Tucker, candidate for the senate, Bob Dillard, for county weigher, G. W. Young for commissioner, Jeff O'Brien for commissioner, John C. Mulkey for commissioner, J. Holmes Akers for sheriff, W. T. Wiseman for treasurer, S. M. Parker for treasurer and Chas. Grant for court clerk. About the time these speakers had finished Andy Hardy and Guy Sigler candidates for county attorney and Coley Wallace, candidate for county treasurer came in from the Lone Grove meeting and were given a hearing by the voters.

Miss Callie Thomason presided at the meeting and she made a most excellent Madam Chairman. In John C. Mulkey's speech she was eulogized every highly and the speaker made the statement that she had been the only woman chairman the candidates had had this campaign and Mr. Mulkey grew unusually eloquent in referring to the young woman who graced the platform as chairman.

Miss Thomason made announcements for J. S. Mullen for the senate, Frank Tyndall for weigher, Andy Hutchins for sheriff and L. M. Thurston for superintendent who either could not come or who had to leave for the Lone Grove meeting before the speaking began. She played no favorites and asked everybody to vote for every candidate.

In every home where there is a baby there should also be a bottle of McGEE'S BABY ELIXIR. It may be needed at any time to correct sour stomach, wind colic, diarrhoea or summer complaint. It is a wholesome remedy, contains no opium, morphine or injurious drug of any kind. Price 25c and 50c per bottle. Sold by Ringer Drug Co.
